Dear Evans:

Dr. Edward L. Robinson, one of the experts hired by plaintiff, is available for deposition on June 22, 2006. As an alternate date, he has suggested June 20, 2006.

Once I obtain a date for Andrew E. LeBleu, plaintiff's electrical engineering expert, I will provide you with that information as well.

Very truly yours,

Henry L. Penick

HLP/da
